Dear Mr. Hamilton:

I'd like to take this opportunity to thank you and Ryan Reece for your recent assistance with our utility invoicing.

We were completely unaware that our church was being billed incorrectly by a local utility company. It was very helpful to sit down and discuss this with you, and in doing so, your company was able to save us a significant amount of money.

I will certainly recommend your services to other local churches and hope that you can do the same for them.

Again, thank you for all your hard work; we truly appreciate your help.

Sincerely yours,
